iChineseReader Online levelled reading platform for K-12

Dear Parents/Carers,

This year Mawson Primary School Mandarin Immersion Program (MIP) plan to provide students who currently study in MIP classes from Year 2 to Year 5, with the opportunity to access **iChineseReader**, both at home and at school. This is a fabulous resource that our Mandarin teachers have just found.

iChineseReader is a levelled, online reading platform tailored to the varied reading needs of K-12 Chinese programs. It can be accessed anywhere, anytime, and on any device. **iChineseReader** also offers more than 3000 interactive e-books, placed at 20 different reading levels and covering all grade levels. **iChineseReader** aims to improve students' mastery and retention of both the language and the subject content, and academic achievement. Teachers can set specific learning tasks through the **iChineseReader** platform. We are seeking your support to help us purchase this fabulous resource. The cost is \$60 per student. We would like to ask you for a contribution of \$30.

You are welcome to visit this website for more information: <https://ichinesereader.com/> to see how the platform works.

Kind regards,
Ms Chen
MIP Executive Teacher
