2022 School Supplies

Following the success of our bulk resource order in 2021, Mawson Primary School will order student supplies in 2022. Students will be supplied with all the stationery and resources required for the school year such as pens, pencils, erasers, handwriting books, exercise books, glue sticks, paper, and headphones. This payment will also support the introduction of a number of new online learning platforms including Maths online.

Bulk purchasing eliminates parents and carers purchasing supplies and bringing them to school on the first day. Supplies will be ready in classrooms set up for learning on the first day of school.

To ensure we have all stationery requirements ready we encourage you to please return the payment and the slip below by Friday 10 December 2021.

Preschool students \$50.00

K – 6 students \$110.00

If you are unable to make the payment by the due date, please contact the Business Manager Narelle Dix on 61422700.

The Education Act (2004) provides for the school board of a government school to ask parents of a child enrolled at the school, or anyone else, to make a voluntary financial contribution to the school. The regulatory principles state that: Each contribution is to be voluntary; A child at the school is not to be refused benefits or services because the child's parent do not make a contribution; A child is not to be harassed for contribution; Any record of contributions is confidential.
