

YEAR 1 ARBORETUM MONDAY 5 SEPTEMBER 2022

As part of our Term 3 Inquiry unit students will be taking part in a program facilitated by the National Arboretum Education Centre. It will address the following questions - how is the Arboretum being used by the community? What are some of the features, and what are they for? This program explores the man-made and natural landscapes of the Arboretum, and how these features have been designed for special purposes. We will explore some of the different ways the community uses the Arboretum, the activities undertaken, and why it's a significant place.

Please complete the attached permission note and return it to school **no later than Monday 29 August 2022**.

Parents should warn children of the risk to themselves, to others and to property, of impulsive, wilful or disobedient behaviour.

Attendance at this excursion is optional. Schools may offer or facilitate specific optional items, activities and services for which parents are required to pay if they want their child to access them. These excursions are classified as optional enrichment programs. If you do not wish your child to attend then a program will be available at the school.
